

Why major in Music?

The Music program at Brookdale allows students to secure the first two years of a four-year program. Completion of this program is the first step toward gaining a position as a teacher, supervisor, or director of choral, instrumental, and/or theater production programs within elementary, middle, or secondary schools, as well as in choral or instrumental organizations. Numerous full-time teaching positions exist in public and private schools for music education majors.

If I major in Music, can I transfer to an upper-division college or university?

The A.A Humanities with the Music option prepares you to transfer to pursue a bachelor's degree in music. Transfer students are generally required to take a music theory, keyboard proficiency, and pitch discrimination test at the four-year institution to which they transfer.

MUSIC OPTION

A.A. Humanities

WE are the music-makers,
And we are the dreamers of dreams,
Wandering by lone sea-breakers,
And sitting by desolate streams;
World-losers and world-forsakers,
On whom the pale moon gleams:
Yet we are the movers and shakers
Of the world for ever, it seems.

Arthur O'Shaughnessy
